## Grading Test

Date: 3<sup>rd</sup> of July 2015

Place: Gulshan-1, Dhaka, Bangladesh

Eight students of the MAC Bangladesh Branch's took part in the grading test to progress to the next belt level.

Held at the Karate-do MAC Japan Bangladesh Branch's in Gulshan-1, Dhaka, the one-hour grading put students through balance skills, kata, belt basics, sparing and self-defense.

Students showed good dedication and spirit, with all of them passing the challenging grading.

Some parents and MAC teachers were also present there.

Everyone was overjoyed and the students were encouraged with their promotion.

Cheers for good work!

Thank you very much.
