KARATE-DO MAC JAPAN

空手道 MAC バングラデシュ

(BANGLADESH)

Gulshan-Dhaka

Karate-do MAC Bangladesh have recently take part in teaching Karate School program all over the Bangladesh. There were several students who got interested and joined in the adventurous journey of MAC Karate.

The parents were very happy to see their children performing a new kind of physical activity, and which is like to be aimed for their mental and physical development.

Karate-do MAC Bangladesh as usual aims to spread the Karate among all kinds of organizations, schools etc. Improving all humanize attitude and culture and to find as well shape a permanent peace among all kinds of people.

Currently Karate-do MAC Bangladesh Senseis teaches several number of students over many different schools. And we hope in the future we would develop more for the sake of Karate as to make it a unique Sports to all than others.

Primarily most of the aims, thoughts and supports are being maintained and given by ourselves, of, we, Karate Senses in Bangladesh.

To improve a human being to a better culture and standard among being civilized with all people and do grow strong of the pillars of all as well common sense is one of the main parts in Karate for not only; for self-defense.

We hope in the future we will introduce Karate to more places in Bangladesh and gather around more Students of all age and gender.

Thank you very much,

Ossu...
